**Footnotes:**

<sup>1/</sup> The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

<sup>2/</sup> The recipient of a late in-kind contribution must file a late contribution report within 48 hours from the time the in-kind contribution is received.

<sup>3/</sup> A controlled committee of a candidate may not make an independent expenditure to support or oppose another candidate.

- Refer to the appropriate campaign disclosure manuals for information on where to file statements.

As of the date of this publication (11/05), the FPPC Campaign Disclosure Manual for local candidates (Manual 2) contains the most recent information on campaign disclosure requirements. Be sure to check the FPPC web site ([www.fppc.ca.gov](http://www.fppc.ca.gov)) for updated information. Ballot measure committees should use Manual D and the 2005 Addendum.

**Additional Notes:**

- Candidates should contact the FPPC for revised reporting deadlines in the event of a runoff election. After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is maintained. After the election, if a ballot measure committee does not terminate, it must file semi-annual statements and may trigger quarterly statements.
- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Statements filed after a deadline are subject to a \$10 per day late fine.
- All statements are public documents.
- Local jurisdictions may impose contribution limits and additional filing requirements.
